

# VISWANADHAM SREENIVAS

B.Tech. - Electronics & Communication Engineering

Ph: +91-8374450506

Email: viswanadhamsreenivas786@gmail.com

Owk, Andhra Pradesh, India - 518122

## BRIEF OVERVIEW / CAREER OBJECTIVE / SUMMARY

I have very good experience at ups and isolation transformers manufacturing. I can do the estimation of house wiring I can implement effective electrical strategies at local and global level. I am devoted and loyal to work, values close relationships. Ready to explore the new challenges and opportunities.

## KEY EXPERTISE / SKILLS

Python Java C HTML MATLAB AutoCAD Web Development Data Science Artificial Intelligence

## EDUCATION

### Lovely Professional University

2018 - 2022

B.Tech. - Electronics & Communication Engineering | Percentage: 73.90 / 100.00

### ap model school, Kurnool

2016

10<sup>th</sup> | BSEAP | CGPA: 8.30 / 10.00

## PROFESSIONAL EXPERIENCE

### RC all tech pvt.ltd

May 1, 2018 - Nov. 30, 2018

Purchase & Store Incharge

**Key Skills:** Manufacturing Unit Testing PCB Design Servicing Assembling MS Office Python Java

Undergone 6 month of Industrial Training in RC All Tech power system Pvt Ltd. (UPS Manufacturing, isolation transformer, store in charge). The project was to develop uninterrupted power supply (UPS) for the Domestic appliances and Industrial appliances of newly launched. The list of all the components used in the UPS was compiled and management approval was take through the New Product Implementation Team. Also, the entire assembly of a UPS was studied.

## INTERSHIPS

### RC all tech pvt.ltd

May 1, 2018 - Nov. 30, 2018

Store Manager

**Key Skills:** Production Design PCB Design Stock Management

Undergone 6 month of Industrial Training in RC All Tech power system Pvt Ltd. (UPS Manufacturing, isolation transformer, store in charge). The project was to develop uninterrupted power supply (UPS) for the Domestic appliances and Industrial appliances of newly launched. The list of all the components used in the UPS was compiled and management approval was take through the New Product Implementation Team. Also, the entire assembly of a UPS was studied.

## PROJECTS

### parallel electrical hybrid drive train

March 1, 2021 - May 31, 2021

**Mentor:** Amit Kumar | **Team Size:** 3

**Key Skills:** MATLAB Design Coding

The main of this project is that the vehicle will learn with the help of fuel as well as gas when the fuel is not available we shift the mode in to the gas the the vehicle will run in the gas mode

### By directional visitor counter

April 1, 2021 - May 30, 2021

**Team Size:** 2

**Key Skills:** Arduino UNO iot programming Modulation

it is mostly useful in the counting of visitors in a day in the malls are in any movie theaters using these we can control the lighting fans and doors

## ACHIEVEMENTS

- o i achieved first price in ball batman ten in state level
- o Participation in Top Line Computer Education, Pullivendula, Andhra Pradesh.

## ASSESSMENTS / CERTIFICATIONS

### getting started AWS machine learning

Key Skills: AWS machine learning

### Solar Energy Basic

Key Skills: Solar Energy

### Electric car technology

Key Skills: designing MATLAB PCB Design Batteries

### what is Data Science

Key Skills: Data Science

### java programming: Array,list,and structured data

Key Skills: Java Data Structures

### python for every body

Key Skills: Python

## SEMINARS / TRAININGS / WORKSHOPS

### Participation in “Signature Analysis”, Lovely Professional University

Aug. 1, 2019 - Aug. 3, 2020

Institute Name: Lovely Professional University Punjab

Key Skills: signature analysis human personality human behavior

This skill will easy to under stand the human personality, and human behavior, mental ability

### Participation in “Human vs artificial intelligence”, Lovely Professional University.

July 10, 2019 - July 12, 2019

Institute Name: Lovely Professional University Jalandhar

Key Skills: Artificial Neural Networks Artificial Intelligence

### Participation in “Google Talk Workshop”, Lovely Professional University.

Jan. 20, 2019 - Jan. 20, 2019

Institute Name: Lovely Professional University Jalandhar

Key Skills: Cloud hey seri Email

## PERSONAL INTERESTS / HOBBIES

- network designing, doing programming, reading stories, playing bat man tan

## PERSONAL DETAILS

Gender: Male

Marital Status: Unmarried

Current Address: 10/115 OWK VILLAGE, owk mondel, kurnool distric,  
Owk, Andhra Pradesh, India - 518122

Email: viswanadhamsreenivas786@gmail.com

Date of Birth: June 7, 2001

Phone Number: +91-8374450506
